Approval of last meeting minutes:

Minutes are approved.

Meeting dates set for 3rd Thursday of each month, 7 pm, at the Mug Restaurant.

Treasury Report:

Patti M. informed us that we had to refile for an EIN number, which she did. Patti has a check for \$4100 and change that will be deposited into the account as soon as the new account is opened. Patti M. was given \$143.50 in a cash box.

Spirit Week – Update

Mrs. Nyhan and Mrs. Donahue deserve a thanks. Steve C. to pass out Spirit Week video when ready.

Other ideas were: contact New Wave in April for skate board demo; move spirit week to following week 9/20-24/2010 and request this of Patti K. in spring; move the skate park demo to 3 pm so JH can join; and pass the other responsibilities to student council. A discussion ensued concerning having a skate park competition; this was decided against.

Spirit Wear –

With respect to selling the clothing at games/events, Carl Johnson would be asked if we could borrow a tent and Patti M. would ask the school to loan us a tent. It was agreed that the Boosters would buy one in the future.

The idea of ordering sports teams' team clothing and selling it through the coaches to the athletes was discussed as an idea.

Parent Volunteers

The existing letter was reviewed and revised. Steve C. would add art work to dress it up. Steve C. would work on email that would be forwardable to all booster club committee members.

New Business

Discussion on broadening spirit week to the JH, with ideas such as a lockin, winter carnival, snow sculpters, etc. Dan C. to speak to Everett B.

6. Adjournment at 8:30 PM
